

119th Street Artists

Mission Statement

“We are the bridge between artists and the community, supporting and encouraging artists in their creative endeavors, creating an environment which increases the community’s appreciation of, awareness of, and participation in the arts.”

Being Part of Our Future...

To continue to live out our mission, we need the active participation of artists and the generosity of art supporters or patrons. Membership includes an opportunity to network, show your work, sell small items in the Gift Shop and be part of the local art community. The 119th Street Artists have meetings the second Tuesday of every month at 6:30 p.m. on the 2nd floor (use the side entrance on New York Avenue).

Understanding our past...

In 1995 a small group of local artists were generously given the opportunity to exhibit their works in a Whiting KATCO owned storefront. That gift was the beginning of a journey of growth and opportunity for area artists.

Thanks to the community of supporters and patrons, the 119th Street Artists is celebrating its 15th Anniversary. Presently 119th Street Artists is utilizing space graciously donated by Centier Bank which has been renovated to include the Cornerstone Art Gallery, a Gift Shop and a Meeting and Studio Area.

The Cornerstone Art Gallery offers shows throughout the year that showcase the work of member and guest artists in a variety of media. Exhibits have included acrylic, oil and watercolor paintings, photography, fused glass, jewelry, mosaics, collage and sculpture.

Gallery exhibits include an annual Under 18 Show, the Oliver Brown Show and a Member’s Show. Member artists have also been offered a variety of Classes and Workshops over the years including techniques of Acrylic, Oil and Watercolor Painting, Drawing, Jewelry Beading, mosaics, and a variety of after-school arts for children.
